Yet To Be Determined

About This Week's LESSON:

This week's **Part 3** lesson of a 4 part series was an excerpt out of Dr. Aurelio Cecchini's Comprehensive Study Outline entitled: **Daniel's 70th Week Prophecy**

The Purpose of this study is to reveal just how precisely detailed Daniel's old testament prophecy was and is, as it pertains to Israel and the last days or "end of the age" as the 4 disciples referred to it.

That while 69 of the 70 weeks given to Daniel for Israel have been fulfilled, the 70th week has clearly been reserved to be completed with the yet to come, great tribulation judgment that God will use to reveal Jesus as Israel's Messiah.

It is our prayer that you will find this study, either in these weekly lesson formats *posted by the following dates taught in our weekly lesson archives"*
