CREATURE FEATURES

Genesis 1:20-23

1. Outline what is happening in Genesis 1:20-23:

2. Define the following words/phrases:
 - a. (*verse 20*) Living creatures (*as used in this verse*):

 - b. (*verse 20*) Fowl:

 - c. (*verse 20*) Open Firmament:

 - d. (*verse 21*) Great creatures (*as used in this verse*):

 - e. (*verse 21*) According to it's own kind:

 - f. (*verse 22*) Increase (*as used in this verse*):

 - g. (*verse 23*) Evening and Morning:

3. Where did God create and place the Fowl (birds) to dwell and move about?
4. Where did God create and place the Sea creatures (fish) to dwell and move about?
5. What did God command the creatures He created to do?
6. How long did God take to create and populate the earth with the living creatures of the sea and sky?
7. What did God call the time period above that He used to create and populate the earth with the living creatures?
8. Do these four verses allow for the scriptural possibility of the world view that living creatures evolved slowly over millions of years?

Lesson Instructor: *Lee's current passion is to continue his discipleship in order to be found capable of rightfully dividing the word of truth. And to be able to disciple others and share the Gospel with as many as God presents the opportunity for him to do so.*
