Dear Brothers & Sisters in Christ,

As we mentioned in our March prayer letter, we changed our planned date to return to Panama from 13 March to a later unspecified date in April.

Due to pending appointments and a few new ones, we found it necessary to schedule our return flight for Wed., 8 May. We will arrive in Panama that same day in the afternoon.

We are planning to continue in our ministries of Discipleship and Leadership Training upon our return.

Please continue to pray for us and our future in Panama as we are not exactly sure how long we will stay due to our ages and some health issues.

We are looking forward to continuing our ministries with our Panamanian co-workers and believe we can add positively to that team effort.

Upon our return we will need to sign cell phone contracts with one of the cell phone companies to be able to use our cell phones in Panama. As soon as we have those numbers we will let you know, via our email address listed above.

In the mean time, for any communication, please use the above listed email address or our residential Ooma phone (also listed above) that is located in our home in Panama City. That phone is connected to the internet and has a Western Pennsylvania area code.

Cell phone calls to that number from cell phone numbers in the States are just like cell phone calls in the States, there is no extra charge.

Thanks for all of your help and love over the years, we appreciate each of you and we really enjoyed being able to spend time with most of you during the past year that we have been in the States.

We trust the Lord will continue to bless and use each of you in your ministries.

Love in Christ,
Bob & Lina
