

Dear Brothers & Sisters in Christ,

We arrived (*safely*) on Wednesday afternoon and have been busy ever since getting back into the swing of things here in Panama.

The two sisters in Christ that stayed in our house during our absence have done a great (*job*) of (*keeping*) maintaining everything in order.

We have some believers, that will be coming to our house tomorrow (*Sunday morning*) for a time of prayer, fellowship and studying together. We will then share a meal together.

Please give our greetings and love to everyone and thank them for their integral part in our lives.

Love in Christ,
Bob & Lina
