A PERSONAL LETTER
UPDATE ON
THE GOSPEL MINISTRIES OF
BOB & LINA DUNCAN

And Their Current Life and Times In Christ

Dear Brothers & Sisters in Christ,

We hope all goes well in your spiritual lives as you continue to serve the Lord Jesus with your spiritual gifts in your areas of influence.

Let all of us keep in mind that all believers in the Lord Jesus have the responsibility to be involved in the ministry of “making disciples.”

Lina and I left the W.PA. area on May 7th. with my sister Sheila Hampton to spend the night with her and her husband Dale at their home near Martinsburg, WV. We planned the trip that way so as to be closer to Dulles International Airport in the Washington, D.C. area, for our flight on the morning of May 8th.

In the Martinsburg area we were just 2 hours away from the airport instead of about 5 hours from the W.PA. Our flight was scheduled to leave Dulles at about 9:30 A.M. and we had to be there at about 7:30 A.M.

We had a good flight (5 hours) and arrived in Panama City by mid-afternoon the same day.

Since our return to Panama we have been busy trying to get everything done so as to be able to get back in the “swing of things.”

We have already made contact with members of the group in Villa Marta and attended a Sunday afternoon meeting there.

We will again be involved with the leaders of that group as well as with other people in a Discipleship Ministry. We would appreciate your prayers for wisdom as we again establish relationships with people at different levels of spiritual maturity.

Additional Contacting Bob, Info Options:

We also have signed contracts with one of the cell phone companies here in Panama and those numbers are as follows.

Bob---011 (507) 6853-8040. Lina---011 (507) 6855-9603.

The 011 number in each number is the code for an international call from the States and you would be charged a fee for that call.

However, if you have the “Whatsapp” installed on your phone you could use that app. to call with no charge, since it is an internet call.

When you put our numbers into you Contact List, those numbers should automatically show up in your Whatsapp List, since we have Whatsapp installed in our phones.

Also, please keep in mind that we have an “Ooma Phone” in our house here in Panama. Ooma Phones are also internet phones and there are no charges to call that number from the States.

Our Ooma phone, while it is physically in our home here in Panama has a W.PA. area code, so it can be called from residential phones in the States and cell phones as well.

Our Ooma phone is wireless and has to be used in the near vicinity of our house, it is not a cell phone that can be used away from our house.

Our Ooma phone number is (724) 320-2929.

Thanks for all your love and care as well as for all you have done for us over the years.

Love in Christ,
Bob & Lina
